ABOUT

Petra Jasmiina (she/her) is a songwriter, performer, producer and creative entrepreneur originally from Finland, currently based in New York City. She writes, records and produces soulful pop-folk with cinematic elements and a unique Nordic flair. Her widely praised lyricism is rooted in poetic storytelling and aims to remind listeners about the hidden beauty all around us, and our intrinsic connection to nature.

She is also part of the production team and ensemble of Kalevala The Musical and the founder of Petrafiied Productions and Nordic Artists of New York.
